### Task 3 - Cameras and video recorders

Your neighbour wants to buy a new camera. She doesn't know whether to buy a traditional film type or to choose a digital one instead. She has asked you to explain to her the reasons why she might be better off buying a digital one.

#### Task 4 - ebay

Someone has told your neighbour to look on ebay for cameras.  
The problem is she doesn't know what ebay is.

She wants you to explain the following:

What is ebay?

Why do you think it is so popular?

Are there any problems or risks with using ebay to buy items?

Are there any problems or risks with using ebay to sell items?
